

NATIONAL 'STORY OF THE YEAR!' WINNER...

CHAPEL HILL STATE SCHOOL(QLD) HAS TAKEN THE PRIMARY TITLE!

Hello this is **HUGE** NEWS!

The decision has been made and **Chapel Hill State School** has claimed the biggest prize in the **largest performing arts event for schools in Australia!**

Now in its 25th year for primary aged students, Wakakirri (*an aboriginal word meaning 'dance'*) has involved **over 20,000 primary and secondary students in 240 schools across the country.**

Chapel Hill obviously did exactly that with their story dance fittingly titled **'Turning Heads, Making Waves'** about the extraordinarily gifted Australian swimmers Cate and Bronte Campbell... from their childhood growing up in Malawi and going on all the way to win gold at the Rio Olympics.

So how great that today Chapel Hill have themselves **won this gold title** with their show-stopping highly creative performance.

We've included some photos of their winning act here and you can find out more by visiting...
